ENCLOSURE B

30 November 1950

Annex 2

General Propaganda Objectives. Related to Korean Events. Applicable
to all Areas

I. To combat the stereotypes promoted by the USSR concerning US action with respect to Korea and to place in proper perspective US actions with regard to the Korean issue.

II. To promote understanding and appreciation of the moral basis and practicability of the policies which guide the U. S. in its conduct of foreign affairs.

III. To promote a realization of the mutuality of interest between the government and people of the U. S. and other governments and/or peoples who desire peace, freedom, justice and human betterment.

IV. To maintain and to enhance the authority and the prestige of the United Nations as an organization peculiarly qualified to meet aggression, preserve the peace and promote social progress (advance human values).
